DEWAN OF MYSORE

YELWAL ROAD,
MYSORE.

19th October 1913.

My dear Sir,

In view of the accident to Mr.Srikantesvara Aiyar, it has become necessary to make special arrangements for the conduct of Police work connected with the visit of His Excellency the Viceroy. I discussed the matter with the Councillors and Mr. Srikantesvara Aiyar, and we concluded that the most satisfactory arrangement in the circumstances ~~is~~ would be to appoint, temporarily Mr. Pritchard, Superintendent, Kolar Gold Fields, as Deputy Inspector General, to work under the general guidance of Mr. Srikantesvara Aiyar, ~~who~~ the latter, though unable to move about, is quite fit to direct operations. ~~He~~ Mr. Srikantesvara Aiyar originally suggested that Messrs. Pritchard and Devaraj Urs ~~may~~ might both be temporarily appointed Deputy Inspectors General. But the Councillors and myself thought that it ~~was~~ would be sufficient if the former alone ~~is~~ was appointed as such, Mr. Devaraj Urs continuing to work under his present designation of Superintendent

The appointment will be strictly temporary, that is, it will terminate as soon as Mr. Pritchard is able to take charge of his duties on the Fields.

Mr. Pritchard bases his claim for an allowance on the following grounds:-

(i) He had more knocking about during the time than any one else.

(ii) He is a loser financially

N.B. How he is a loser is not clear.

The post of the Dy. I.G. of Police does not carry any fixed pay on which acting allowance may be calculated nor was the question of pay considered at the time of Mr. Pritchard's appointment as Dy. I.G. The amount of the allowance to be given to Mr. Pritchard for the period in question has therefore to be fixed arbitrarily in case Govt. view Mr. Pritchard's prayer favourably.

26) II Local allowance.

Reasons for asking for the above	Remarks.

The work devolving on him in the capacity of J.P. may for all practical purposes be regarded as a negligible quantity. Mr. Thomas was a Ind. officer and his sy, allowances and recruitment were regulated by the British Govt. in accordance with his grade in that service. Besides this, economy was one of the considerations which influenced ~~the~~ Govt. in deciding in favour of a local officer in preference to a Ind. one (Please see para 4 of Govt. 30 With regard to local allowance, Mr Pritchard is now getting the maximum of the grade Rs 550 - 50 - 800 in which he is appointed. The only other emolument he gets is free quarters. His contention is that as all the officers living in the K.G.7 get a local allowance, he may also be treated similarly. My dear Rivaz,

OORGAUM,

21st January 1914

My dear Mr Srikantesvara-Aiyer,

Two months have passed since His Excellency the Viceroy left the State & you were kind enough in Mysore to say that the Government might give me some allowance for filling the post of Dy. I.G. for a month.

I think I can truthfully say, that I had more knocking about during that time than anyone else & in addition I am a loser financially.

A high officer of the State, in the course of conversation, asked me if I had received any allowance & on my replying in the negative said he was quite sure that the Dewan would favourably entertain a proposal of this kind.

If I was well off I would not trouble about the matter but I am far from being in so enviable a position.

Several high mining officials, also in the course of conversation, when they heard I was a loser said they we were certainly of opinion that Government should not see

one of its servants suffer in this way more particularly over a Viceroy's visit.

You may remember that in 1909 there was a question of my getting a Local Allowance as being the only Government official here who was not in receipt of one & this was negatived.

I quote from the letter of the late Mr Delvoy Devaraj Urs' ~~Letter~~ of the 26th Feburary 1909 which is befor me" Please put in an application through the Deputy Commissioner & I shall be glad to support your claims to it

The Gold Field is, as you are aware, an expensive place & I have to mix with men drawing large salaries & though mine may appear adequate I have family remittance to Europe, repayment of advance for motor car, & life insurance deductions every month & now have to keep up a motor car.

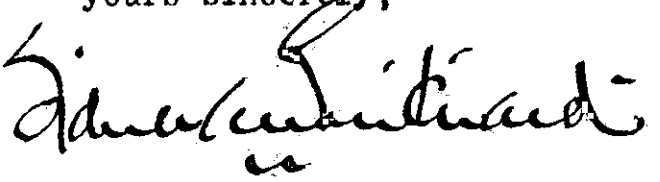
The Government has been pleased to get me invested with the powers of a Justice of the Peace. I have also been appointed Registrar of Hackney Carriages, Jutkas & carts & the Railway line is about to come under my jurisdiction. I am the sole adviser to the Companies in all matters affecting the Watch Establishment & this takes up a good deal of my time & Government have passed special Proceedings saying I can receive nothing

for any work done for the Companies. All this, except the Railway, is additional to my legitimate duties as a Superintendent of Police.

Mr Thomas, my predecessor, was drawing Rs 1100 per mensem & the Government had, in addition, to pay his pension & exchange compensation allowances. I do not pose as being Mr Thomas' equal as a policeman, far from it, but I think it may be taken that the work has not deteriorated to any appreciable extent during the nearly 6 ½ years I have been Superintendent on the Gold Field.

I am afraid I have said more than I intended when I started this letter but it is left entirely to you, having the full facts, whether you consider my services are worth considering or not.

yours sincerely,



C.M.P.

My dear Sir

In view of the accident to Mr Srikanteswara Iyer ~~the~~ ~~Asst~~ it has become necessary to make special arrangements for the Conduct of this work in Connected with the Visit of H.E. the Viceroy. I discussed the matter with the Councillors and Mr Srikanteswara Iyer and are Concluded that the most Satisfactory ~~I~~ an arrangement in this Circle is to ~~appoint~~ depute Mr Pritchard Supdt K.G.F. for Special duty from Hariharpur Shimoga to Bangalore and Mr C. Devassy Dist for Similar duty in Connection with the arrangements in the Mysore District. Both these officers are to work under the general Guidance of Mr Srikanteswara Iyer who

though unable to move about
is quite fit to direct operations
He suggested that both Messrs
Pritchard and Devaraj
may be temporarily appointed D-2-C's.
but this does not seem quite
necessary. The office Assistant
to the D.C. will continue work
under Mr Srikanteswara Iyer
and if he wishes the may be given
leave
the Services of another Capable Assistant

The thinks the Resident will
be duly informed of these arrangements
if they are effd by Govt The situation
may be reconsidered if necessary,
after a personal discussion with
Sir Hugh Daly. Yrs Sincerely
